

Gerry Connolly Cross County Trail

Fairfax County offers over 900 miles of trails, bikeways and sidewalks for non-motorized transportation that have been mapped using a Geographic Information Systems database. Fairfax Trail Buddy is a web-based mapping tool that allows you to discover the extensive network of Fairfax County Park trails. Fairfax Trail Buddy also provides access to the Bike Fairfax Interactive Bike Map, which highlights the most desirable on-road and off-road bike routes for recreational and commuter bicyclists. The web map is accessible from all types of devices and operating systems.
